

Workshop Title	Key Stage	Outline of Content
Polar Bear Hunt	EYFS Nursery	Explore how animals adapt to cold environments, focusing on the polar bear. Learn about thick fur, blubber, and the comparison with human layers of clothing.
Polar Bears and Climate Change	Primary (Years 4-6) / Secondary (Years 7-9+)	Understand the effects of climate change through the lens of polar bears and other animals at JFWP. Discuss global warming impacts and possible actions we can take.
Habitats	Years 2-6	Investigate various habitats and the species that live in them, including Woodland, Tundra (cold lands), and the man-made environment of Pannington Hall Farm.
Adaptation	KS2, KS3-4	Learn about different animal adaptations for various environments and habitats. Discover why camels have humps, how shells protect tortoises, and why polar bears have black skin.
Farm ABC	EYFS Nursery	Meet and greet farm animals, learn the differences between species like sheep and pigs, and engage in counting and naming activities.
Anteater to Zebra	EYFS Nursery	An A-to-Z exploration of the animals at Jimmy's Farm. Discover their origins, diets, sizes, and ages.
Meet the Farmer/Animal Ranger	EYFS / KS1	Meet a member of the animal care staff to learn about their daily responsibilities and routines.
Fur, Feather, Scale	KS1 & 2	Classify animals into mammals, birds, invertebrates, and reptiles. Explore which animals have fur, feathers, or scales, and discuss their similarities and differences.

For more information and to book your education day please email education@jimmysfarm.com.

See it, Hear it, Smell it, Sense it	EYFS to KS1	Use your senses to discover the animals in the park. Note that taste is not included but can be offered as an optional extra (e.g., tasting sausages from the park).
Rare Breed Stories	Nursery to KS2	Meet rare breeds on the farm such as sheep, pigs, cows, and fowl. Learn what makes them rare and special and hear stories about specific animals.
Can I Have a Pet Pig?	KS1 & 2	Understand the needs and care of animals. Discuss why we keep pigs, what animals make good pets, and the responsibilities of pet ownership, using guinea pigs as an example.
Meat and Veg	KS2 (adapted)	Explore the origins of our food, ethical rare breed meat farming, and the future of crop, vegetable, and fruit farming.
Who Works at Jimmy's	KS2/3/4 and FE	Learn about various careers at a farm and wildlife park, including roles beyond animal care. Discover the qualifications and experiences required.
Jimmy's Business	KS3/4 and FE	A case study of how Jimmy's Farm and Wildlife Park operates. Learn about its organizational structure, areas of operation, staff roles, and legal issues.
Jimmy's Media and Marketing	KS3/4 and FE	Focus on the marketing and promotion of the park, including the use of social media and public relations, with insights from a relevant staff member.
